“As a citizen of ASEAN, I feel the need to shape the future I want for ASEAN’s upcoming generation.

Thank you Common Purpose for helping me explore myself and be able to push myself to be more vocal and take the lead. I was very proud of my improvement I didn’t know I could make. I will definitely bring this attitude with me back home.”

- Naqea ‘Atiqah, AYLP 2022 Graduate & Common Purpose Alumni

### Programme Overview

The programme consists of two parts. To be considered for the in-person component, participants **must** complete the online self-learning course and assessment.

#### 1. Online Self-Learning Platform (August 2023)

Upon acceptance into the programme, you will receive your log-in details to the AYLP online self-learning platform.

You will learn about ASEAN & Cultural Intelligence, meet and discuss with your fellow young leaders and Common Purpose facilitators and start thinking about the three sub-themes.

To graduate and/or be considered for the in-person program, you will have to participate in the discussions and complete a final reflection.

#### 2. In-Person @ Jakarta, Indonesia (10 to 14 October 2023)

Experience Jakarta—the heart of the ASEAN Secretariat & Chairmanship of ASEAN 2023—as we make full use of the city as a classroom.

Form idea groups and brainstorm together, interact directly with senior leaders and go on immersion visits around the city to learn about the sub-themes!

The program will start at 2pm on 10 October and accommodation will be provided with check-out on 14 October.
